Gulyás (herdsman)

From Wikipedia, the free encyclopedia

The **gulyás** is the traditional mounted cattle-herdsman of Hungary.[1] The gulyás tradition is associated with the Hungarian puszta and with the Hungarian Grey or Hungarian Steppe breed of Podolic cattle, Hungarian: *Magyar szürke szarvasmarha*, now considered a meat breed but formerly used as oxen.[1] *Gulyás* is the origin of the word *goulash*.
